Road Maintenance: Steve gave an update on the progress on Klarquist road. \$39,769.46 has been spent to date, with approximately 2 ½ days to complete the project. Four inches of gravel to be added to the project. The previous estimate allowed for part of the road to receive six inches of gravel. With the change, the final cost should be less than the initial estimate. The Board discussed the need for gravel on Nelson Road. Steve received an estimate from Burnett County Highway Department to gravel the entire road. The estimate received was \$13,000.00 (which stated on the high side). Motion was made by Cory Jackson, and seconded by Joe Peterson to proceed, but with the stipulation that the road needs to dry up by the end of next week, or else it will be done next spring.

A review was done on employee Jim Petersen. Motion was made to increase his hourly rate from \$17.00 to \$17.50, by Steve Washkuhn and seconded by Cory Jackson. 3-0 motion carried.

Old business: The landowner on Klarquist road has replaced his driveway culvert, and the water has now subsided.

Wanda reported Chief Election Inspector Lynne Harmon has taken a new job and will no longer be able to fulfill the position for Lincoln Township.

Correspondence was looked over.
