PUBLIC COMMENTS: None

ROAD MAINTENANCE: Ed has the plow on and sand ready for tomorrow if needed. He has been cutting some trees and there are more to cut. Ed has picked up 26 tires and the county will take them for \$8 a tire. Need to purchase a battery for the handheld radio which we can order directly from Amazon.

Steve has some concerns about what is going on with the roads. Steve has been down Martin Road and feels that the amount of time that has been spent on this road is not accurate. Ed has been out cutting what he feels should be cut. The board expressed concerns about the amount of time spent on certain roads, and the amount of work completed. Ed also needs to document his time and breakout his hours in more detail. Steve stated that this is to be treated as verbal warning.
