PUBLIC COMMENTS: No comments

ROAD MAINTENANCE: Patching in the township is complete. The one-ton pick-up was taken in for a front-end alignment and rotated the tires. The dump truck was taken into the highway department and was washed and is waiting for some repairs.

ROAD TOUR: patching done; trees are taken care of. Talked about Fairgrounds Road with chip sealing/crack sealing. Steve is going to find out how much of the road we are responsible for and talk to Meenon about splitting the cost of the project. He will then talk to the highway department about getting a bid to complete that project. Spray patching, there is a possibility of Smith Road and Ice House Bridge Road being done.

Ike Peterson would like to get a load of gravel for Thoma Rd and Black Brook. Steve will call and get the gravel delivered.

Bridge repair: County repaired the guardrail and sent the bill. Wanda sent a letter to the individual, and the individual reached out and said he will pay it.

Road Maintenance position: Dale thinks we should reach out to Roger "Ike" Peterson to see if he would be interested in taking care of the snow removal/winter maintenance. Joe said he will ask him. Dale feels that we could try to maintain our township without a permanent position. Joe agrees that we can try this too. At any point we can advertise to fill the position if needed.

COMPREHENSIVE PLAN: Motion to adopt the Town of Lincoln Comprehensive Plan 2024-2044 by enactment of ordinance #2024-2 by Joe Peterson, seconded by Dale Larson. 3-0 motion carried.

CEMETERY COMMITTEE: Gary Erickson will arrange a cleaning of Perida Cemetery. Gary will get some measurements for replacing the fence at Perida so we can get some ideas on cost to replace it. Gary will get Karlsborg Cemetery ready for a burial on Tuesday May 14th.
