If work on Black Brook Road cannot be completed in May, the project is anticipated to take place in August following completion of the Highway 35 project.

Financing for Black Brook Road project was discussed. Motion by Joe Peterson, seconded by Dale Larson, to secure a loan in the amount of \$129,446 for the Black Brook Road paving project, utilizing \$100,000 from the Township's Old National Bank regular checking account and exhausting the Township's money market account established from the sale of Township land, which currently holds approximately \$82,314.97. Upon completion of the meeting minutes, a special meeting will be scheduled to approve and sign the minutes in order to proceed with securing the loan.

Claudia Kurschner noted a bump in the road near Ice House Bridge. Bob Pardun noted that it seemed the bump doesn't seem to be as large as it was previously. Steve stated that he will access and address it.
